Our Porini Camps in the Mara are adjacent to the reserve in exceptionally rich wildlife areas where tourism density is controlled and deliberately kept very low (1 guest tent to 700 acres) and as such there is no need to visit the Mara National Reserve to view lions, cheetahs, leopards, elephants, buffalo, giraffe, hippo etc. Stays in our camps in the conservancies also include extra activities like night game drives, guided bush walks, bush meals and sundowners. However, should guests wish to include a visit to the reserve this can be pre-booked with the additional park entry charge applicable (Currently \$100 per person for low season & \$200 per person for high season, subject to change). As the park entry tickets for the reserve must be booked and paid for in advance, this option needs to be confirmed at time of booking.
