# SUNDOWNER

• SCENIC •

Embarking on a helicopter scenic flight through the captivating Laikipia landscape, culminating in a magical sundowner on an isolated kopje, offers an unforgettable adventure. Meander your way down one of the North's most prominent and breathtaking taking rivers, providing an unseen perspective of the region's natural beauty. Touch down on an isolated kopje as the sun begins its descent, take in the mesmerizing display of colors painting the sky, while enjoying refreshing drinks and delectable snacks in the midst of this secluded and picturesque setting. This unique experience promises to be a truly memorable and enchanting way to witness the splendor of the Laikipia landscape.
